

**Who's Your One?**  
**Who is My Neighbor? Identifying the Lost Around Me**  
**Matthew 9:35-38**

**Icebreaker:**

What's the most adventurous thing you've ever done? Why did you do it?

When you hear the word *evangelism*, do you think of adventure? If not, what word comes to mind and why?

**Video Notes:**

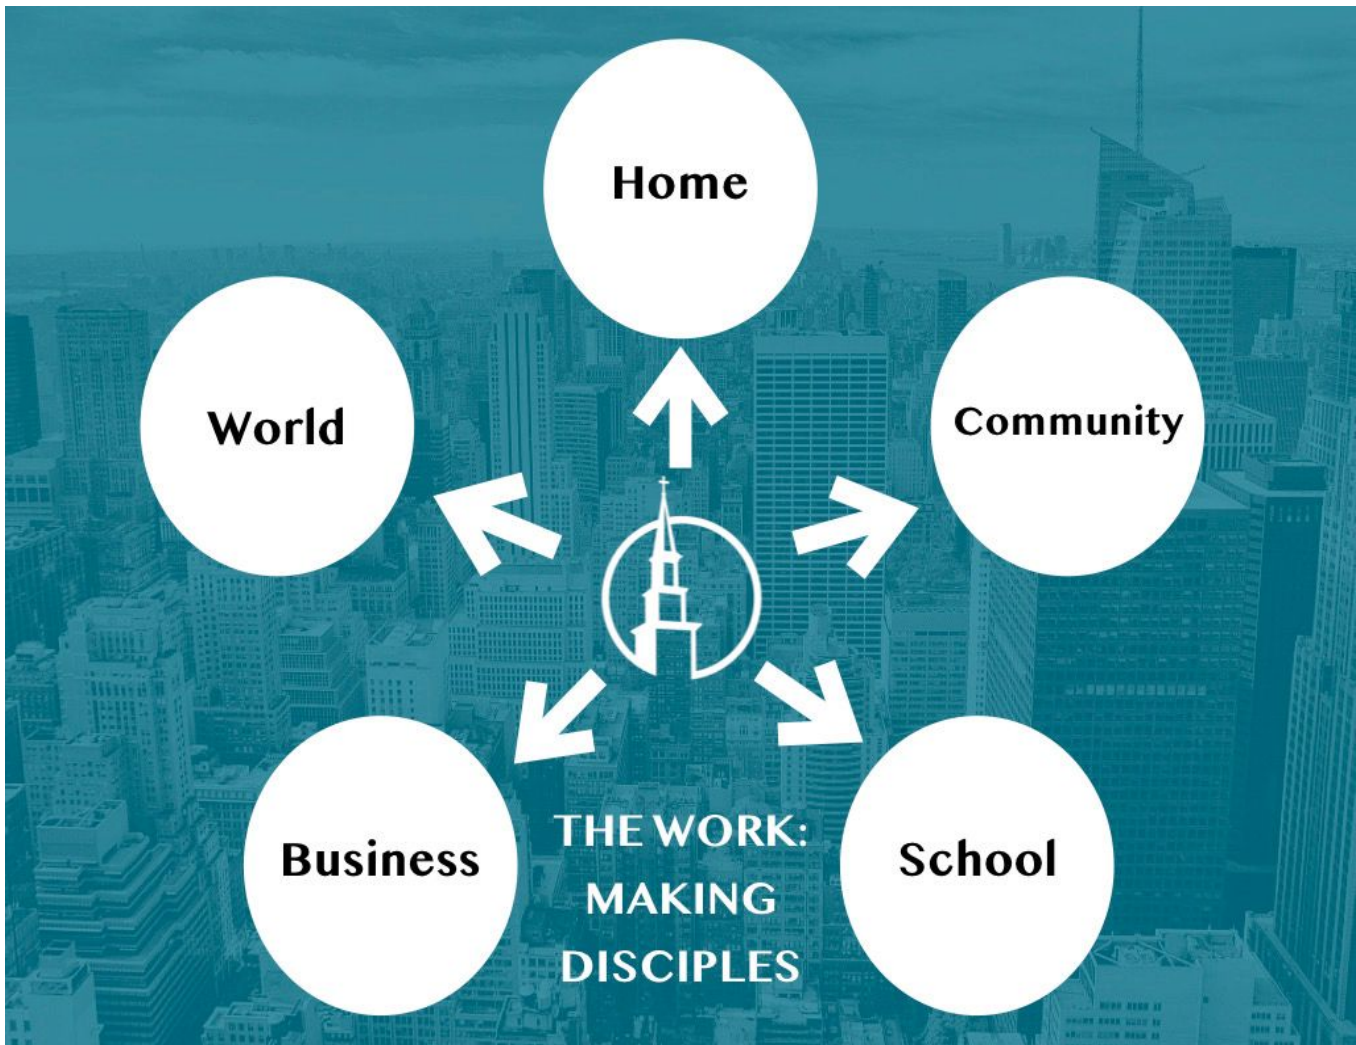

**Application:**

Think of a number to yourself: On a scale of 0-10, how often do you think about the spiritual condition of the people you know? (0= never, 10=constantly)

Most of us are going to feel somewhat convicted this week. Our burden for the lost isn't what it should be. But don't lose heart. Addressing the obstacles sets us up for success! The purpose of our time together is not only to discover truth together, but also for these lessons to be very practical in encouraging and equipping you. Being used by God is fun! Sharing Christ and seeing people believe will bring God joy and us joy!

**The best way we can live this out in Week 1 is to begin identifying the people in our lives who need Jesus.**

**On the back page, devote a few minutes to personally write down names of specific people within your "Circles of Life" (friends, family, relatives, co-workers, classmates, acquaintances, neighbors, etc.) Once finished, pray over your list.**

Feel free to share with your leader one of your names you can pray for together as a group. This week, in the Who's Your One Prayer Guide (available in the Atrium or on the YouVersion Bible App), you've been provided some sample prayers to pray for the lost:

God, help \_\_\_\_\_ see Jesus is the only way to have eternal life. (John 14:6)

God, please change their heart of stone. (Ezekiel 11:19-20; Acts 16:4)

Lord, help \_\_\_\_\_ find real rest, hope, peace, and comfort in Jesus alone. (Mt 11:28-30)

Jesus, set \_\_\_\_\_ free from the slavery of sinful ways. (Rom 6:16-18) (2 Tim 2:25-26)

God, please shine Your light through me so \_\_\_\_\_ can see You. (2 Cor. 4:4-6)
